

# 12–15% of U.S. Jews are Jews of Color. That's 1 MILLION of us.

1 in 7

young adult Jews  
identify as non-white  
or multiracial

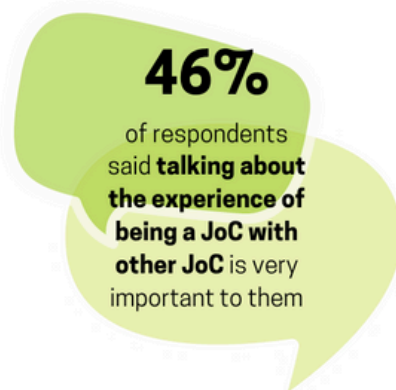

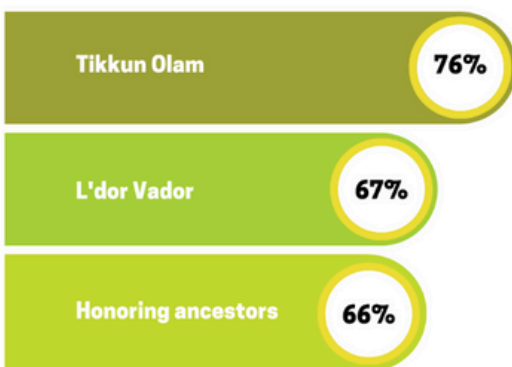

surveyed have  
experienced  
**discrimination**  
in Jewish  
settings

17%

of American Jewish  
families are multiracial

Expressions of Jewish identity that are  
"very important" to respondents

believe American Jewish  
leaders are either poorly  
or **very poorly addressing  
racism** in the U.S. Jewish  
community

Jews of Color Initiative
