

Discussion Prompts

Discuss the following questions with your students or your children for a fun, meaningful conversation.

- **How do little things cause big problems?**
- **What does it mean for something to count?**
- **If everything and everyone has a role in life, do we always know what their role is? Discuss the roles of animals and other things in the world.**
- **What are we good at, and what is challenging for us?**
- **Tell us about one time that you had a chance to shine by doing something special.**

These questions pair well with chapters 2 & 3 from the fourth book in the Mishnafari Series, *Everything Counts!* You can find the book and more activities at www.mishnafari.com
