

How to Play DREIDEL

Each player starts with an equal amount of chocolate gelt and places one piece in the center pile.

Players take turns spinning the dreidel.

When the dreidel stops, find the letter in the chart below and follow the instructions.

Nun	Gimmel	Hay	Shin
נ	ג	ה	שׁ
Do nothing	Take all	Take half	Put one in

If the center pile is empty, each player adds one piece of gelt.

If a player runs out of gelt, they are out of the game.

When time is up, the player with the most gelt wins!
