CHALLENGING ANTISEMITISM

A groundbreaking  
new digital course  
for middle and high  
school students

In the face of incidents of identity-based bullying and hate, including antisemitism, educators play an important role in shaping the perspectives of their students.

This four-part digital learning experience is designed to not only unravel the complexities of antisemitism, but to empower the next generation to challenge all forms of bias.

**ADL** / EDUCATION

## Why participate?

- **Engaging Learning Experience:** The course builds a comprehensive learning arc, with each lesson building on the last one for a holistic understanding of antisemitism.
- **Real World Connections:** Hear directly from Jewish students providing authentic perspectives and opportunities to foster empathy and understanding.
- **Practical Strategies:** Equip students with the tools to recognize and challenge antisemitism when faced with it online, in their schools and in their communities.

## AUDIENCE

Middle and High School students

## DURATION

Four 30-minute modules

## EDUCATOR GUIDE

Included to support implementation of the learning experience

## COST

There is no cost to schools

## Each module can be completed in less than 30 minutes

### Lesson 1: Exploring Jewish Identity

### Lesson 2: Recognizing Antisemitism

### Lesson 3: Challenging Antisemitism

### Lesson 4: Championing Justice

Join us in reshaping the narrative around antisemitism, fostering deeper understanding and creating a sense of belonging, both inside and outside the classroom.
