

Hebrew School: The Podcast!

Animals Memory Game

Preparation

Print the pages below, cut on the line, then fold in half (images should be back-to-back) and glue together.

Introduction to Learners

Oh no! All the animals have to find their pairs to get on Noah's ark! Find each animal's Hebrew pair to get them safely through the flood.

How to Play

Play a memory game! Place the cards image/word down with the logo facing upwards. You should see an array with 20 cards. Have learners take turns flipping over sets of two, with the goal of matching the word with the picture!
