

Animals in the Bible

Matching Game

Preparation

Provide a copy of page 2 of this packet to all learners.

How to Play

- Draw a line between the image of the animal and its description.
- Check your answers on page 3 of this packet.

Introduction to Players

Each of these animals is found in the Tanakh (Jewish Bible). Match the description of the animal with its picture.

This animal tricked Adam and Eve into eating an apple from the Garden of Eden.

Moses was caring for a flock of these animals when he saw the burning bush.

Noah sent this animal out of the ark, but this black bird couldn't find a place to land.

The symbol of the tribe of Judah. This animal is sometimes called the "King of the Beasts."

Abraham rode this stubborn animal. It looks like a little horse with large ears.

Rebecca rode this animal on her way to meet Isaac. Sometimes this animal has two humps.

This animal tricked Adam and Eve into eating an apple from the Garden of Eden.

Moses was caring for a flock of these animals when he saw the burning bush.
