# 5. Heart

## Answer Card

“My dear George,

I send you again a short letter to make you know, that I am quite OK and **that's** all. I guess all my acquaintances and relatives are cross with me, that I never write and are perhaps even angry with me. Please try to explain the situation if possible, if not they will forgive me later. To mother, I do not write now either and your letters must replace the mine. For this reason I give you the right even to forge my signature, hoping you will not make use of it for "high financial obligations." No use writing that I would like to see you, to talk to you and at least to write more detailed letters.

I hope you know that very well. I get your letters with great delay but sooner or later they reach me, and I am always ever so glad to hear about you. Thousands of kisses to you and warm greetings to friends.

From Hanna”
