

## Hebrew Through Holidays Part 10: Yoms Sing Down

To celebrate the end of the year, and Yom Ha'atzmaut, this game is a fun way to use some of the words that we've learned and to find songs that have the following words or any variation of these words (conjugations) in them. Divide students up into teams and each team has to brainstorm a list of songs with each of the following Hebrew words within the time limit provided. Teams get one point for each song that they list, a second point if no other teams listed the same song, and an additional point for any song that is in Hebrew.
